

## **3rd Annual Writing/Drawing Scholarship Competition for Parents and Children together.**

**TOPIC: “My Child, I’m so thankful.” “Mom (Dad), I am too.”**

**Writing Starter Guideline: Parent begins with “My Child, I’m so thankful.”  
Child begins with “Mom (or Dad), I am too.”**

**We invite parents and children to have heartfelt dialogue and express those messages in words and art work.**

Since the start of the pandemic, most families were required to spend extended amounts of time in limited quarters. During these times of trials, communication and sharing among family became not only critical but essential. We hope this opportunity can connect the child and parent allowing them to tell stories with their words and images.

It is our honor to announce the 3rd Annual Writing & Drawing Scholarship Competition sponsored by KOWIN LA (Korean Women’s International Network of LA; a subsidiary of the Ministry of Gender Equality and Family in Korea).

Recognition ceremony will include Awards and Scholarships and selected recipients will be featured on our website. We hope many students and parents join us for this meaningful event.
